● Traditional Day Camps

● Enrichment Camps

Don't let summer vacation become an opportunity for summer learning loss. Keep your child active and entertained, while still learning at the same time, by enrolling them in Summer Camp @ Stevens Cooperative School.

Summer Camp @ Stevens offers 8 exciting and educational weeks of summer camp for your child. Enroll in as many weeks as you'd like. **Each week offers the choice of either Traditional Day Camp or Enrichment Camp** (our Traditional Day Camp program, enriched with specialized learning about a particular area of study – such as LEGO engineering, video game design, filmmaking, chemistry, and many more). It's a memorable and productive way for campers ages 3 to 8th grade to enjoy their summer.

Camp sessions fill up quickly! Apply today to get the weeks and sessions you prefer.
